Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I cannot tell from the plans if the existing driveway will remain the same or be enlarged. Please consider the neighbours. Street parking is at a premium on this block; occupiers of homes with driveways often park on the street in order to leave their drives clear for 'last car home', which blocks vital spaces for the majority of us who rely on on-street parking. Previous occupant of The Maples only had one vehicle but a larger house is highly likely to bring several. It's crucial that the drive be enlarged so that vehicles can turn and pass on it. If this is

done satisfactorily I would withdraw my objection, as the house plan looks nice.

Kind regards
