Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	While I might support the improvement of cricket club facilities in principle, I feel that this proposed building (of which I have only

seen a rough image) would appear to be far too intrusive and overwhelming for neighbouring residents. A more discrete, lower profile design might be more favoured by adjacent households.

Kind regards
