**Subject:** DC/25/0733 - Spartan House
**Importance:** High

Dear Halima,

Apologies for the delay getting back to you on this consultation.

We note that a new air ventilation system is proposed with associated external grilles, however given the size of the proposed grilles any noise impacts to offsite receptors is likely to be negligible.

We therefore have no further comments to make and do not object to the granting of planning permission.

Kind regards

Kevin
