WARNHAM PARISH COUNCIL CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	**Robins Green Knob Hill Warnham West Sussex**
PROPOSAL:	**Surgery to 1x Lime and 1x Sycamore (Works to Trees in a Conservation Area)**
REFERENCE:	CA/24/0023
RECOMMENDATION:	Approval
SUMMARY OF COMMENTS & RECOMMENDATION: The Parish Council recommends approval, provided that the tree surgery is carried out by a certified arborist, with minimal impact on the surrounding environment. Given the importance of trees in conservation areas, we would also request that the health and condition of these trees be carefully monitored to ensure they are preserved for future generations.
