Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	My wife and I are neighbours and support this Planning Application defined by the revised Proposed Floor Plans + Elevations that you listed on 21/10/26 26625/P102-P1 which deletes the proposed new roof light on the Rust Oaks side and adds a window on the south side instead. We support our neighbours planning application The project should fit well within the surrounding buildings.

Kind regards
