Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other
Comments:	<p>I wish to object to this application.</p> <p>There are too many cars at this residence already and with this development there would not be enough space for the existing property.</p> <p>Outside of the proposed building is the school crossing for North Heath lane school, which I feel cannot be safely moved, and would be detrimental to the safety of the children.</p> <p>The Person applying for this application does not live in the area</p>

or the UK. So therefore does not appreciate the impact on the local community or environment as there is a fox den under fence which would be disturbed.
The development would effect the bus outside the residence.

Kind regards
