SITE ADDRESS:	Land known as Mill Bay, Mill Bay Lane, Horsham
PROPOSAL:	Fell 1x Alder (Works to Trees in a Conservation Area)
REFERENCE:	CA/24/0016
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Alder tree is situated in the park area, opposite the river. It is in terminal decline and suffering from Phytophthora alni disease. The tree shows minimal foliage and the branches and twigs have become very brittle. The tree should be section felled to a low coppice which should encourage new growth at the base. This species of tree usually thrives near river banks. Therefore, HDNC has no objection to this application.
