To: Development Control South

From: Leanne Poole

Deputy Clerk

Date: 10th September 2024

Please find below Steyning Parish Council comments on current planning applications:

DC/24/1169 – 64 High Street - Installation of 1x externally illuminated fascia sign, 1x internally illuminated hanging sign and window stickers.

DC/24/1173 - **64 High Street -** Installation of 1x externally illuminated fascia sign, 1x internally illuminated hanging sign and window stickers (Listed Building Consent).

Cllr Trundle **proposed, seconded by** Cllr Young. **Objection -** we strongly object to all the signage proposals including the window stickers on the grounds that they are totally out of keeping within a Conservation Area and as a listed building. Also, we feel that the HDC Conservation Officer be consulted about these plans. **Agreed.**

DC/24/0919– 72 Kings Stone Avenue - Erection of a single storey rear extension.

Cllr Trundle **proposed, seconded by** Cllr Young. **No objection. Agreed.**
