Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Trees and Landscaping
Comments:	We wholeheartedly support this application, however we would really appreciate the builders not parking outside our gate, we are opposite at number 4, [redacted] On the subject of parking, in Saxon Road we all take a certain pride and responsibility with our verges and recently planted trees, so any parking on the verges would be very unsatisfactory. All the cars are parked on the left hand side here. Only at the very ends does this arrangement change. This allows delivery vehicles etc easy access. In the event of the verge outside number 9 being damaged we would all very much appreciate it being reinstated.

Kind regards
