TO:	Horsham District Council – Planning Dept

DESCRIPTION:	Erection of a single storey side and rear extension, a replacement conservatory, and roof overhaul with new interlocking flat tiles
REFERENCE:	DC-25-1135

SUMMARY OF COMMENTS & RECOMMENDATION:

No significant arboricultural concerns

MAIN COMMENTS:

The site has a number of mature and semi-mature ornamental trees situated close to the boundaries with neighbouring properties.

No trees will be directly impacted upon by the proposals and sufficient working space and hardstanding to the front of the property exist to ensure that there will be no foreseeable indirect impacts to the key rooting areas of trees either.
