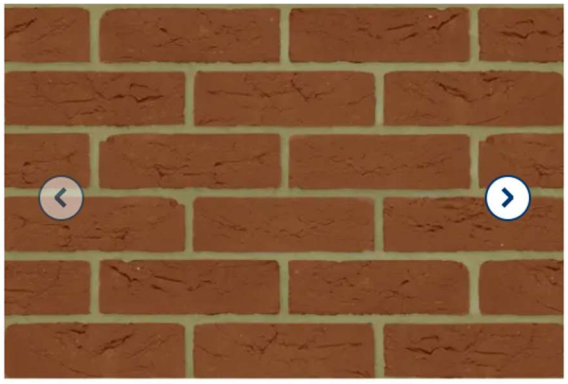
The White Horse – Brick Sample – DC/23/1692 & DC/23/1693



Click image to zoom in

Apollo Red Handmade from the The Bespoke Brick Company. This classic handmade textured brick is formed using clay taken from a quarry or river, which is mixed with other raw materials such as sand, lava, lime, iron and chromium oxides. The clay is put through various processes to remove any unwanted aggregates or metals. It is then...
