Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I would like to object to this development, due to the safety of children using the road to get to the local schools and access to the recreation ground adjacent to the property. The amount of vehicle movements is already a danger, and having another house with cars will only make it worse. The road is developed to its full capacity already. The upper part of Churchill Avenue is supposed to be a turning circle, which is used by bin Lorrie's and other deliveries. Developing the site would make this impossible. Kind Regards [redacted] 34 Churchill Avenue

Kind regards
