Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	The extension I feel is too large for the plot and would be overbearing This is already a small residential area with tight boundaries. The extra windows upstairs would infringe on my privacy. This will also cut natural light to my front of my existing property particularly my lounge window that faces the number 11 Holly close. An important point that i wish to make is my downstairs rooms to the front of my property making so dark and infringing on my right to natural light.

Kind regards
