Hi Robert,
Thanks for pointing that out. It looks out the WN/28/75 doc was the outline with the conditions attached and the WN/7/76 doc the reserved matters in response to WN/28/75.
I am happy for the description to be changed to reflect WN/28/75.

Kind regards,

Good morning Dan

I trust that you are well.

I am just looking into this application of William's (who has now left the Council). I note reference to application WN/7/76 in the description- having looked at our records there are no conditions attached to this permission. Condition 3 appears to be attached to WN/28/75. Would you be ok to agree to a change in the description to reflect this?

Thanks again
