Categories: Consultations

Dear Jacques,

Thank you for consulting us with application reference: DC/24/1266, for the development at: Milestone House, 86 Hurst Road, Horsham, West Sussex, RH12 2DT.

We believe that this was a mis-consultation, as it is not clear that the application is using a third-party credit scheme or an 'out of authority area' property for its water offsetting needs. These are currently the only applications that SNOWS needs to be consulted with.

If you believe we have made an error, please let us know.

Kind regards,

Clare Devine
