Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1. Do you know the site and if so from about what date and how? e.g. because you are a neighbour or have been there or seen activity etc.	Neighbour ~~for~~ of property for over 20 years
2. Do you know who operates from the site or lives there? If so who?	Site used as accomodation for Haldi (Indian Restaurant) employees.
3. Are you aware of the Activity described above and if so from when. How would you describe what goes on or what is there? What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?	Previous owner constructed a temporary lean to workshop next to garage. Current owner used the footprint of the garage / lean to. to construct a building for additional accomodation for Haldi workers. The roof is excessively high and the mirrored windows are above the fence level creating privacy issues Due to the Planning issues, the building work has not been completed. The building should be lowered by at least one course of bricks.

P.T.O.

4.	Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?

3 Comt: The top of the garden windows lowered to below fence level
