Dear Mr Lee,
I refer to your letter of 20 February 2025.
My Company, Scrapline Limited, restored and extended Tanbridge House about 26 years ago to provide 13 homes and garages. It received a Conservation Award from your Council.
My Company retains the freehold of the property, which it manages, along with Managing Agents, on behalf of its 13 residents.
The proposal before you to replace the old Conservatory to flat 1 will be very welcome and compliments the overall building and its setting.
I hope you will recommend it for approval.
Yours sincerely,
