Quotation No : 1024

MR & MRS FARMER
OAKDENE HOUSE,
THE STREET,
NUTBOURNE,
RH20 2HE.

8 October 2024

Dear Sir/Madam

Further to my recent visit to your property with reference to your property, I have pleasure in confirming the following quotation to supply and install top quality, high security and energy A rated windows and doors all as per the attached specification and drawings:

As agreed we will also assist in providing information you require to obtain conservation approval

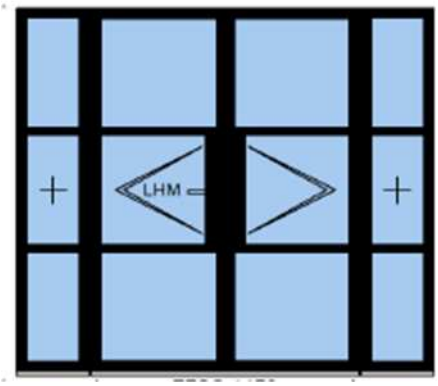
RESIDENCE 7 NO 10 BLACK OUTSIDE CHALK WHITE INSIDE
The total cost will be £14,047.00 inc vat

RESIDENCE 9 NO 10 BLACK OUTSIDE WHITE ASH INSIDE
The total cost will be £17,408.00 inc vat

Both prices also includes for all the windows to be the exclusive Residence system , all corners will be timber weld (looks identical to mechanical) all will have trickle vents,dummy butt hinges, fire escape hinges. Internal and external astragal bars, Radlington deep external cills and the installation will comply with building regulations and include a 10 year insurance backed guarantee

The R9 window isn't ideal for your property design, this is because of the age it was built and the location of the existing window, basically from the inside of your existing window to the outside of your brickwork will be approximately 90mm the R9 has a front to back dimension of a 100mm, the way we overcome this is the outerframe has a section we cut out to enable the window to slide into your reveal.

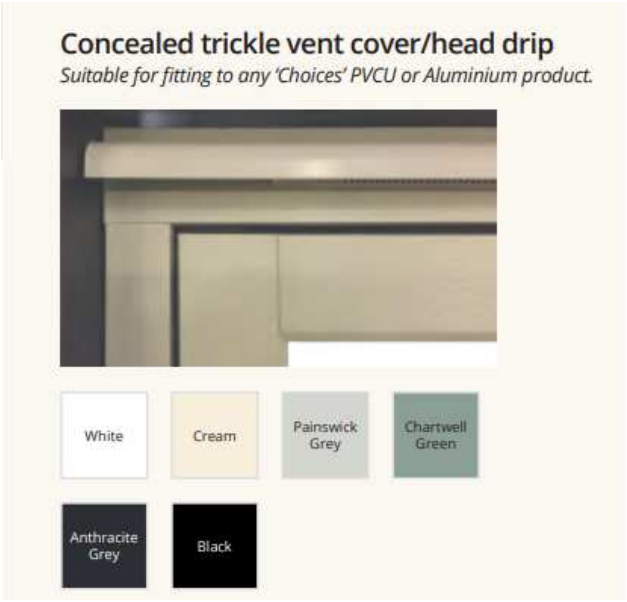
SMART ALITHERM HERITAGE 47 FRENCH DOOR COMBI ALL BLACK
The total cost will be £4,503.00 inc vat



Quotation No : 1024

Upgrade to concealed external trickle vent

The total cost will be £754.00 inc vat



Testimonials

Please go to our website www.window-mart.co.uk and see what our recent customers have to say about us

You will be pleased to know that all of our staff are fully employed by our company including all building works to ensure a continuity and quality of works.
We thank you for your valued enquiry and trust this meets with your approval.
If you have any further queries please do not hesitate to contact me.
We look forward to hearing from you in the near future.

Should you find this quotation acceptable our payment terms are 25%deposit with the order then 50 % of the remaining value on the day we start installation and the balance on completion

Yours sincerely

MARTYN BARKER

Eclectic Grey / English Oak	No. 10 Black / English Oak	Corse Lawn Grey / Grained White

Flush 100

'Choices' Flush 100 'Alternative to Timber' range, is specifically designed to replicate 19th century timber windows and doors. Both systems boast a flush external casement finish, with R9 offering a decorative internal finish and R2 a square clean design. Both are ideal when replacing 100mm traditional timber windows. A choice of styling options make them suitable for period and modern properties.

Standard - Fully mechanically jointed
Option - Welded sash (Mech outer frame)

20mm Astragal and 60mm Transom bar upgrade

Flush external finishes with equal sightline and external transom bar upgrade

Residence9 has a traditional, decorative, internal finish

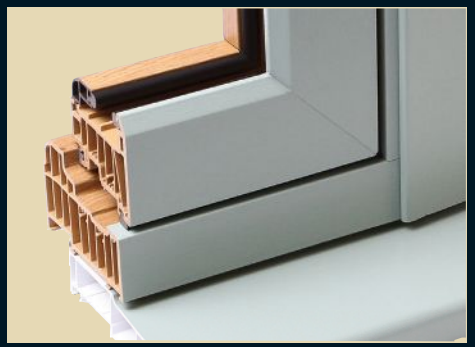
Residence2 with clean, square lines internally, Ideal for modern interiors

100mm outer frame for 28mm double glazing or 44mm triple glazing

Dummy or functional stays upgrade

Dummy or functional butt hinges upgrade

55mm Radlington cill option



Dual foil upgrades.
Foiled through the rebate as standard
