Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Other- Overdevelopment
Comments:	Yes to this development as the existing barn is looking run down and the property requires life put back into the area, a single property would have no impact on this site, but overdevelopment would be to much but in several years is could be attainable.

Kind regards
