Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	This area is a greenfield site, not allocated for development or approved by the Parish Council, is a flood risk with Southern Water advising that there is no capacity in the local sewage network, and is in an area of the village that will not cope with the increased traffic. There is no acceptable reason to build on this site.
