Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	At the meeting of the Parish Council's Planning Committee on 15th April, the committee resolved to an objection to this application.

The basis for the objection is that this variation of the condition goes against the Class Q criteria under which is was originally granted.

The application shows no reasoning behind the need to move the siting of the build and therefore moving away from the original application of converting an existing agricultural building.

Kind regards
