Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	"I support this application as the owner of a local country pub. The area needs more tourist facilities to bring tourist spending to the area which goes into the local economy but most importantly for me into food and drink at local pubs of which we are a lovely country walk away. Such a boost to the local economy is so badly needed."

Kind regards
