Subject: Planning Application Consultation - DC/24/0515
Categories: Consultations

Good morning Hannah,

Planning reference: DC/24/0515

Thank you for consulting me on the above planning application. The type of application is not considered to be relevant to the District Licensing Scheme in this case and we consider there would be no likely impact on great crested newts or their habitats. A change of use application would only need consultation should there be associated works being undertaken that could impact on great crested newts. I therefore have no comments to make at this time. If the proposal changes, then please seek further advice from me if necessary.

Kind regards,

Jennie Shea
