Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Land rear of 11 Firs Close, Horsham
PROPOSAL:	Surgery to 1x Oak
REFERENCE:	DC/25/0404
RECOMMENDATION:	No objection

SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)

MAIN COMMENTS:

Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the

site and his report is as follows:

The Oak tree located in the rear garden of 12 Firs Close is a large, mature specimen with a very large spreading crown. The tree is causing shading to the neighbouring properties and the crown is overhanging the neighbour's garden. Therefore, the height can be reduced by 3.5m and the lower canopy branches can be reduced by a similar degree.

All dead wood should be removed and the entire internal crown thinned to reduce a sail effect. This degree of reduction should leave the tree in a health well-balanced shape and eliminate the risk of falling branches.

Therefore, HDNC has **no objection** to this application.
