CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	17 Causeway, Horsham
PROPOSAL:	Surgery to 2x Holly and 1x Magnolia grandiflora (Works to Trees in a Conservation Area)
REFERENCE:	CA/25/0038
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Holly tree at the rear of the garden has become too large for the space it occupies; therefore, the entire crown can be reduced by 2.5m. This will improve the light levels in this area of the garden. On completion of the work the tree should be left in a well-balanced shape. The Magnolia tree, situated near the building and close to a window, can be reduced. This will improve light levels and the view from the window. Any crossing or rubbing branches should be removed. All pruning cuts should be made to a health union join and the tree should be left with a well-balanced shape. Therefore, HDNC has **no objection** to this application.
