## **Marketing Statement (including community and employment):**

**By:**

**Mr & Mrs Fryer**

**Site at:**

**The Post Office Stores**

**Church Street**

**West Chiltington**

**RH20 2JW**

**Oct 2025**

---

## **1. Introduction**

1.1. This statement is submitted in support of the application for Planning and Listed Building Consent for a partial Change of Use application at The Post Office Stores, Church Street, West Chiltington, RH20 2JW. The application comprises the following documentation:

- 1.1.1. Drawing 0457 / 100, 101 & 102
- 1.1.2. Design, Access & Heritage Statement
- 1.1.3. CIL Form
- 1.1.4. Marketing Statement
- 1.1.5. Viability Statement

## **2. Proposed Change of Use**

- 2.1. The property known as The Post Office Stores is a mixed use building consisting of a small retail store and post office with associated storage, attached to a four bedroom dwelling.
- 2.2. In recent years, particularly since the covid pandemic, the financial viability of the store/post office has reduced significantly. The current owners wish to retire and have attempted to market the whole building as a going concern since January 2023, without success.
- 2.3. The proposal is for a Change of Use to convert the Store and Post Office into residential accommodation for the benefit of the current dwelling to make the building more marketable.

## **3. Marketing**

- 3.1. The applicants are looking to retire. Since January 2023, they have sought to market the property.
  - 3.2. Nestled in the village of West Chiltington, the property presents an exceptional Grade II listed historic house offering an opportunity to own a piece of local heritage along with a Post Office and stores business presenting a unique blend of residential and commercial space.
  - 3.3. The property was marketed by Cracknells of Hove between January to July 2023. See email correspondence in appendices from the Agent.
  - 3.4. The property has been further marketed through Trigg homes and Henry Adams, both finally being removed from the market in February 2025. See appendices for sales brochures and emails from Agents.
  - 3.5. There were viewings but unfortunately none led to a sale.
  - 3.6. Earlier this year, the applicants sought local help to examine whether there was an opportunity to seek a community buy-out. This also involved West Chiltington Parish Council to see if they could coordinate and assist in any way.
  - 3.7. A news article was published in Sussex World on 17th July 2025. A copy of the article is included in the appendices.
-

- 3.8. Although we have a number of emails to and fro from various parties, for the purposes of privacy we cannot include them within this application documentation but a brief appraisal of the correspondence is attached to the appendices here.
- 3.9. Ruth Simmonds has been instrumental in coordinating support and communicating with the Clerk to West Chiltington Parish Council. However, despite all efforts, there was insufficient local support to garner a realistic hope of a community buy-out.
- 3.10. The Parish Council had spoken to Horsham District Council who looked into the matter but reported that by virtue of the Post Office part, the building was exempt from being listed as an Asset of Community Asset due to its status as 'operational land' as defined by the Town & Country Planning Act 1990.

#### 4. Employment

- 4.1. The following extract is taken from the Horsham District Planning Framework Policy 9:

*4.1.1. Redevelopment of employment sites and premises outside Key Employment Areas, must demonstrate that the site/premises is no longer needed and/or viable for employment use.*

- 4.2. Due to the reduction in turnover, there are no meaningful opportunities for local employment at the post office store and the business is mostly run by the applicants Mr & Mrs Fryer. Therefore, the closure of the store will have no significant impact upon local employment.

#### 5. Loss of Community Facilities

- 5.1. The following extract is taken from the Horsham District Planning Framework Policy 43:

*5.1.1. Proposals that would result in the loss of sites and premises currently or last used for the provision of community facilities or services, leisure or cultural activities for the community will be resisted unless equally usable facilities can be conveniently provided nearby. It will be necessary to demonstrate that continued use of a community facility or service is no longer feasible, taking into account factors such as; appropriate marketing, the demand for the use of the site or premises, its quality and usability, and the identification of a potential future occupier. Where it cannot be demonstrated that such a loss is surplus to requirements, a loss may be considered acceptable provided that:*

*a) an alternative facility of equivalent or better quality and scale to meet community needs is available, or will be provided at an equally accessible location within the vicinity; or*

*b) a significant enhancement to the nature and quality of an existing facility will result from the redevelopment.*

- 5.2. The lack of opportunities from both the sales marketing and discussions with the local community and parish council lend weight to the argument that the
-

post office store no longer provides a meaningful service that could not be provided elsewhere. An almost identical service is provided by Nisa Local, Haglands Lane, West Chiltington, RH20 2QR, less than 1 mile away and nestled centrally within West Chiltington.

- 5.3. It is therefore reasonable to predict that Nisa Local would be an ideal alternative facility, suitable to pick up any business lost through the closure of the Post Office Stores without detriment to the local community.

Hello to you both,

I believe I did suggest that as an option to you at various times.

We advertised between January and July 2023 at a guide price of Offers Over £700,000. We had six viewings.

Wishing you the best of luck,  
Stewart

On 06/03/2025 12:49 GMT Post Office Stores <[postofficestores@btinternet.com](mailto:postofficestores@btinternet.com)> wrote:

Dear Stewart

We hope you can help provide some background for us from the time we advertised with you, to sell our house/post office stores as a going concern

As you may be aware, we have been unsuccessful in selling, and may be looking to apply for a change of use back to residential.

To support the application we need proof that we have marketed the property correctly.

We would be really grateful if you could write a short report showing when it was advertised, how much it was on for, and how many viewings it generated

Very best regards

Judy & Bruce Fryer

Dear Mrs Fryer,

We can confirm that we have withdrawn your property at Post Office Stores The Corner House, Church Street, West Chiltington, RH20 2JW.

Listed below are the applicants we introduced to you whilst we listed your property.

Any future purchase involving these parties would incur a fee owed to us.

May I take this opportunity to thank you for instructing us in the first instance and I hope you will contact us again, if you feel we could be of assistance in the future.

Kind Regards

Stephen Maslin

**AGENT'S COMMENTS**

This Grade 2 listed house and Post Office Stores lies in the downland village of West Chiltington in the lee of the South Downs. It is a hidden treasure, full of charming cottages, winding lanes, friendly pubs, with a 12th century Norman church and a quiet charm. Truly a tranquil retreat from the pressures of modern living. The house village was mentioned in the Domesday Book and still enjoys the tranquillity of the past without being too far from modern times.

The Post Office Stores is truly the heart of the village with the shop having been open on this site for at least two hundred years. The present owners have lived in the historic house for the last 18 years and have built up a thriving local business. This is indeed a rare opportunity to acquire both a house, a business and the lifestyle choice as every possible one now available in an enclosed society living and the offer of the post office. The house and business are being sold together. Full audited accounts are available to support business of some £200,000 per annum including the associated Post Office assets. The current owners are retiring and believe there is considerable scope to expand the business further. Although the owners currently operate the shop and post office, it could be possible to run the shop separately, therefore providing a rental income. Alternatively, there is the possibility of separating the house and shop as two freeholds. Any interested buyers should satisfy themselves by contacting Barbara Dwyer, Chartered Financial Planner.

First listed in 1885, the house dates from the 17th century or earlier and is believed to be originally a timber-framed building, later infilled with brick and stone and now painted. Set over two storeys it has a hipped tiled roof, casement windows plus a modern shop window and stone trestle fronting the road.

On the ground floor are the two reception rooms, kitchen, lobby and cloakroom. The shop is accessed either from the ground floor of the house through the secure Post Office counter or via the rear shop door. There is a large rear door to the back of the shop plus further storage.

The stairs rise from the second reception room with four bedrooms upstairs, three of which face to the front elevation with bedrooms four to the rear overlooking the garden. A modern family bathroom with bath and shower is also on the first floor.

The windows are leaded lights throughout, with the exception of what is believed to be a Victorian window to the main bedroom in the oldest part of the house. With thick walls, tiled window cills and good roof eaves, the house needs little or no external remediation by the new owners.

The cottage garden has a paved patio area in addition to the main garden lawn, planting and with access to the rear store and the gated side access.

The Post Office Stores sells a wide range of everyday goods and great kitchen appliances provision of the range of Post Office services. It has been established on this site for over two hundred years with photographs from the past showing its storied history. The store is fully fitted with all the necessary shelving, equipment and display and has a large storeroom at the rear with overhead freezers. There is further space in the rear store for the preparation of newspapers and other speciality goods. There is a significant opportunity to further increase trade and expand the range offered. The Post Office and its associated services business is especially attractive in a village setting. A positive side effect of the pandemic has been to increase awareness of local shops and businesses, which are especially highly valued in village communities like West Chiltington. There is a great mix of families and retired people in the village who use the Post Office and a very well-regarded Community School for ages 3 - 11 whose pupils naturally also frequent the shop.

Pulborough and Bittern Point Stations are within 4 miles and Horsham is within 12 miles, all with services to London Victoria/London Bridge (Pulborough about 36 minutes/70 minutes respectively). Gatwick is within 30 miles and there are many excellent schools in the area including ODN's Headless, Dorney Green, Northampton and Lancing College.

Freehold. Main gas, electricity, water and drainage are all connected. Council tax band C. The Post Office is closed as a Community brand and the business is exempt from payment of business rates. COA/CIL Tax Band C.

## Market Information

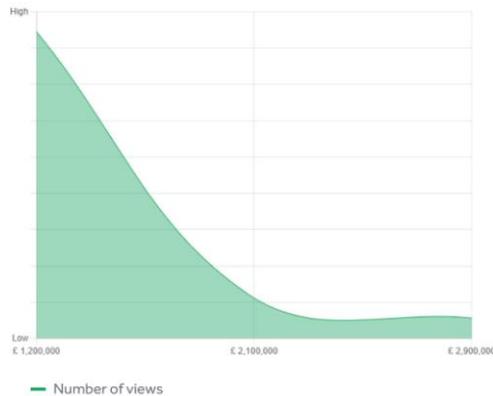

### New vs. sold subject to contract (STC) properties in RH20 2JW

This graph shows the number of new properties vs. the number of sold STC properties listed by all agents, over the last 6 months on Rightmove. It's a good indicator of the recent supply and demand levels for properties like this.

### Average prices of properties in RH20 2JW

This graph shows the average asking price and final selling price of properties in this area, listed by all agents, over the last 12 months on Rightmove. The Land Registry sold price data is usually only available 2-3 months after a sale is completed.

### Number of property views in the last 6 months for your selected property types within RH20

This graph shows the amount of searches on Rightmove over the last 6 months for properties like this, at various prices. It's an indicator of the price point(s) that will generate the most interest for similar properties in this area.

The properties in this report were advertised on Rightmove during the dates specified. These properties were not marketed by Trigghomes unless otherwise stated.

**Location**

West Chiltington is an attractive and thriving village and has so much on offer, a busy village hall, tennis club, croquet club, cricket club along with the historic St Mary's Church which dates back to the 12th Century and also the village junior school, along with another parade of shops offering a village store and post office, butchers, hairdressers and beauty salon. The surrounding villages of Pulborough and Storrington offer various supermarkets and a range of independent shops. There are numerous walks near the local vineyards and onto various watering holes or an abundance of public footpaths. Rail links to London Victoria and London Bridge and the South Coast are in the neighbouring village of Pulborough.

The area around provides a wide range of sporting and recreational facilities with West Sussex Golf Club and other golf clubs further afield at Cowdray Park and Goodwood. Of special note is the RSPB nature reserve at Wiggonholt Brooks. The area has rugby, bowls and cricket clubs, and there are leisure centres at Storrington and Billingshurst. There is gliding at nearby Parham, theatres at Chichester, Horsham and Worthing and sailing centres all along the coast.

## Appendix 2

### Sussex World News Article

---

The following story was published on Sussex World on 17th July 2025:

## **Residents in bid to save West Sussex village post office from closure**

By Sarah Page

Published 17th Jul 2025, 11:42 GMT

Residents in a West Sussex village are banding together in a bid to save their local post office from closure.

The Post Office Stores in Church Street, West Chiltington, has been in business for the past 150 years. But now current owners Judy and Bruce Fryer are planning to retire.

But so far they have been unable to find a buyer for the 400-year-old Grade II listed property which includes the post office shop and adjoining four-bedroom house.

However, local residents are now trying to save it. West Chiltington Parish Council has circulated a survey asking villagers if they can help.

Judy, 64, and Bruce, 72, have been running the post office since 2003 but have been trying to sell it for the past three years with the aim of retiring to the Isle of Wight.

"We've tried three different estate agents over the three years with little viewings," said Judy. "It became apparent that people didn't really want to run the little village shop any more."

Now they are hoping that the local community will take it on. It is expected that the parish council will discuss the matter again at a meeting next month.

"It will be a shame if the post office has to close after 150 years," said Judy. "It would be a big loss."

The Post Office stores, as well as dealing with royal mail services, also acts as a convenience store, selling foodstuffs, household items, newspapers, gifts – and more.

Anyone interested in buying the property or finding out more can email [postofficestores@btinternet.com](mailto:postofficestores@btinternet.com)

---

### Appendix 3

Appraisal of local support and communication  
with West Sussex Parish Council

---

This is a summary of the communication between Ruth Simmonds/other volunteers, and the Parish Council to investigate to possibility of a local buy-out:

The email communications were marked solely for the recipients and therefore we are prohibited from copying or distributing and therefore we cannot include the actual emails as part of the documentation, however, we can summarise the unsuccessful outcome as follows:

Pre-September 2025:

*Ruth Simmonds has coordinated and contacted the local community to seek volunteers with a view to arranging a local buy-out of the property and continue the business.*

*At this stage only three residents have come forward to actively collaborate to see what can be done and to investigate the possibility of obtaining an Asset of Community Value designation.*

18 September 2025:

*A meeting is sought with West Chiltington Parish Council (WCPC) to discuss the collaboration further.*

*There is disappointment at the lack of support and the fear that matters may not progress.*

22 September 2025:

*WCPC report there are further residents who expressed an interest, but that they only wish to be kept informed of progress.*

24 September 2025:

*WCPC offer to further publicise the appeal in their newsletter to seek more support.*

10 October 2025:

*The WCPC report that ahead of any future meeting, the WCPC has some concerns to their being involved in any capacity other than sharing information and using their communication channels to aid reaching the community.*

*WCPC report that Horsham District Council have previously communicated their view that The Post Office Stores cannot be listed as an Asset of Community Value.*

Further to a meeting in late October 2025 between Ruth Simmonds, Ben Alcott, and the Chair and Parish Clerk of WCPC, Ms Simmonds emails the residents who had offered support, to report the following:

*She thanks the residents for their support.*

*Confirms a meeting with WCPC has taken place but sadly all paths lead understandably to the same decision.*

*WCPC set out their concerns, as a Parish Council body, being involved in any capacity other than sharing information and using their communications channels to aid reaching the community, which may aid our discussions.*

- *Horsham District Council have previously communicated the below (June 2025)*
  - *The team have looked into this and found that if the Post Office part of the building is still functioning as a Post Office – or even if it's not and its use is*

*still classed as a Post Office, then it is exempt from being listed as an Asset of Community Value due to its status as 'operational land' as defined by Section 263 of the Town and Country Planning Act 1990. This Town and Country Planning Act defines 'operational land' in relation to the Post Office as land used for the purposes of the Post Office/Royal Mail. Therefore, a Post Office is not of community value when considering it as an Asset of Community Value and may be excluded from being listed as such.*

*The Parish Clerk also linked Section 3, Schedule 1 (clause 4) of The Assets of Community Value (England) Regulations 2012 for reference.*

- The valuation is not current*
- The property includes a residential property*
- It would be inappropriate for the Parish Council to promote residents making private investments/commitments where there would be risks*

*There is also not enough community interest either in keeping the PO open - just 6 residents have come forward.*

*We have chatted with Judy (the applicant) and they hopefully have a retirement plan which is the main thing for them and know that they have explored many avenues in trying to keep the shop open. Sadly, nothing is forever.*

---
