Subject: 7 Pondtail Close/ Lawful Development questionnaire

Dear Emma

Apologies for late reply to your letter re the above.
To answer your questions from the questionnaire:

1. I do know the site- it has been there for about a month or so now. I live at flat 3 Pondtail Park therefore I pass it everyday 2. I do not know who lives or operates there I am afraid 3. I cannot comment on what is going on in there as I do not know . I do not see any activity . It does not affect me in any way though 4. Nothing else to advise on

Kind regards

Flat 3 Pondtail Park
