| Comments: | <p>I used to live in this area, [REDACTED] there are lots of families close by who use this local park and for walking dogs. It's a clean safe area for children and families to enjoy this space safely. Building here would ruin this. The parking for residents would be impacted with the large heavy machinery that would be needed on this land. The noise the light would impact the residents in this area. The whole area on outskirts of Horsham have been developing houses over the past few years it's madness to try and build in this area it's not needed. Leave the area alone for children to be able to play at the park to kick footballs and run around freely.</p> |

Kind regards
