Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I feel this application is totally out of order when consent had already been denied as with many of the previous applications After being refused they still went ahead regardless This is a small hamlet and should not be subjected to this kind of disturbance at all hours flouting all previous restrictions put upon them it's a total lack of respect of all local residents and totally arrogant

Kind regards
