Comments:	To whom it may concern I am writing to support the change of use at the above address. I train weekly at the above venue with friends to enjoy our shared hobby. Not only is training enjoyable for the dogs but is lovely to be in the fresh air exercising. I have yet to train at this venue with any dogs that bark, the venue has also been used for many years for dog agility so it would be a shame if it could not carry on.

Kind regards
