Customer Details

Address:	Georges Lane Storrington

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	This development does not conform with the Heath Common Design Statement. There will be an increase in traffic. The overdevelopment of the site itself and the effect on a historical part of the Sleepy Hollow Community. This will dominate the centre of our community and have an overbearing effect on Vera's Shelter. This is an historic junction, bridleway and footpath, which has been featured and mentioned in many articles ,books and newspapers.

Kind regards
