Comments:	This is disgusting it's even being considered it's a grass verge!! It will completely block the houses behind it meaning they will look out onto a brick wall and devalue all our houses there is no parking bad enough now on the that corner with overflow from pub parking it's dangerous! Nowhere near big enough or suitable for ANY building at all! Next you will agree to building on our front

gardens!! Highly dangerous right on corner and we do not need another shop as have 3 within 5 mins walk of each other! They have bought this verge to obviously try and build something on it otherwise why buy it??? Next there will be a planning application for a one storey building when this application is refused - it had better be otherwise there will be uproar and huge protests. THIS MUST NOT BE ALLOWED TO HAPPEN!!! Absolute joke! Enough is enough we've had our fair share of development in Horsham without verges being built on and no additional infrastructure have you tried getting a doctors appointment or dentist in Horsham let alone drubbing anywhere!

Kind regards
