SUMMARY OF COMMENTS & RECOMMENDATION: No objection	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The two Bay trees at the front of this property are small, multi-stemmed trees. They have become overgrown in the area they occupy which has led to some structural damage to the boundary wall at the front of the garden. Another issue is the shading caused by the crown growth. Both trees can be cut down to ground level and stump removal is recommended to prevent basal regrowth. This work will leave the area much tidier and less shaded. Therefore, HDNC has **no objection** to this application.
