Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1. Do you know the site and if so from about what date and how? e.g. because you are a neighbour or have been there or seen activity etc.

Yes I do – I live next door since 1987. The subject building went up about 10 years later. It causes little or no problems.

2. Do you know who operates from the site or lives there? If so who?

The owner – Michael Menzies

3. Are you aware of the Activity described above and if so from when.
How would you describe what goes on or what is there?
What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?

It is a normal enough barn conversion of sorts. The owner lives there and generates no noise, traffic views or behaviour to give rise to any concern

P.T.O.

4.	Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?

Of all the residents in the lane Michael Menzies has been here the longest. [redacted]

He and his building are no problem whatsoever
