Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Overdevelopment
Comments:	<p>Concerned about overdevelopment, given the significant recent planning approvals in the village.</p> <p>Complete lack of infrastructure and facilities to cater for the additional housing, particularly around the pressures to the local school and GP surgeries.</p> <p>Unsuitable roads to accommodate the increase in traffic both construction and residential given that in most places it is a signal track lane.</p>

Kind regards
