Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	I strongly oppose to the application of installing floodlights to the site (which has already been done by the way) it will create light pollution that will harm the wildlife and be a nuisance for the residents. I think Prestige is taking HDC fof a ride and not taking them seriously at all. They are breaking the rules and regulations constantly speeding down the road not adhering to the speed limit . Properties have been damaged and dustbins overturned.

I can't believe HDC is letting this happen !
I wonder why I pay council tax, for what ???

Kind regards
