Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Overdevelopment
Comments:	<p>I object to the proposal as it is an inappropriate development and not in conformity with the adopted Storrington & Sullington and Washington Neighbourhood plan.</p> <p>An increase in traffic associated with the new dwellings will add to existing traffic congestion, increase the risk of accidents, and reduce road safety.</p>

This development could create a precedent for further inappropriate development along Rock Road.

Kind regards
