Dear Mr Weir

Pre-Application Notification - Proposed 4/5G replacement telecommunications base station

Car Park North Street Storrington West Sussex

I refer to your pre-application notification received in this office on 7th September 2026 concerning the above site.

A 56-day prior approval has subsequently been submitted for this scheme. As such any comments will now be made as part of the determination of application ref: DC/26/1532.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours sincerely

Emma Parkes
Head of Development and Building Control
