Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Trees and Landscaping
Comments:	<p>I am writing to object to planning application DC/25/1312 for West of Ifield for the following planning reasons:</p> <p>Transport</p> <p>Ifield Station - It has a short platform which is already overcrowded in the rush hour</p> <p>There is Insufficient parking which will result in parking in the surrounding residential roads. A lot of people will always try to avoid a walk to the station. The station is right next to a primary school and at school time Ifield drive and Tangmere Road are very congested with cars waiting to pick up children.</p> <p>Roads -</p> <p>There are too many houses in the proposal for the already congested roads - Ifield Avenue, Bonnets Lane, Ifield Green, Overdene Drive, Tangmere Road and adjoining roads.</p> <p>Amenities</p> <p>Golf Club</p> <p>This provides exercise and recreation for its 500 members and their guests. Alternative courses are becoming fewer and a community facility would be lost.</p> <p>Trees and Landscaping - There are an extensive number of mature trees which would be lost as a result of the building.</p> <p>For these reasons, I respectfully urge Horsham District Council to refuse this hybrid planning application.</p>

Kind regards
