Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	Our only concerns for the future is if the annexe property and house property might end up as two separate pieces of land, which might lead to a future house building on the annexe sight, which we would then strongly object to. If the two properties remain under the same piece of land forever with no further buildings allowed on the site, then we have no objections.

Kind regards
