For the attention of Andy Bush.
Hi Andy. We spoke briefly on the telephone regarding the above matter where I have a dead Ash tree adjacent to our gate onto Heather Lane.We would like to fell it and as our area is within the West Chiltington Conservation area we need the Council's permission to do so. The surrounding area is very wooded and it is doubtful if the removal of this tree would be at all noticeable. I attach a recent photograph of the tree and would like to be able to take matters forward.
Yours sincerely,Henry Mote.
