Dear [redacted]

Further to your comment to HDC concerning the above Planning Application.....

Can I please ask you to confirm that you were referring to a track leading off Hammerpond Road in the vicinity of Mill Farm Cottages and that subsequently crosses the Mannings Heath Golf Course towards PROW 2822?

And that you were not referring to the junction of PROW 2822 with Hammerpond Road?

This is an important distinction that needs clarity because the junction of PROW 2822 and Hammerpond Road is currently being used for vehicular access to the applicant’s vineyard and wine-making barn. There is no Planning Permission for this to happen.

I trust that WSCC and HDC will take action to close this vehicular access at the junction of PROW 2822 and Hammerpond Road. This is a safety issue for not only users of the PROW but also road users as WSCC have previously stated that visibility splays are not achievable at this point.

With thanks,
Yours sincerely
