Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	<p>This planning application is ridiculous. It will eliminate a fantastic golf course and disrupt the nature in the field area. Crawley is already massively overpopulated. There is not the infrastructure in place to support the further housing. The roads rail and public transport network have struggled to keep up with the development of Kilnwood Vale and Forgewood. This would be a catastrophe for the local area and not least the joining of Crawley and Horsham together through this application is not what anyone wants to see. No, to mention the fact that the golf course is a floodplain and it's unplayable most of the winter how would that affect the housing and the local area?</p>

Kind regards
