Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We do not have the infrastructure to cope with all the excessive house building in & around Horsham/Crawley districts Hospitals, doctors, dentists to name a few. The A24 is flooding regularly since the Kilnwood Vale & Rusper developments went in. The fields are flood plains & should be left as such. There is also the devastation caused to wildlife & their habitats. It doesn't really fit with the 'green' agenda we are fed when it suits. I absolutely wholeheartedly oppose this application as should both Councils. Horsham/Crawley & surrounding areas are being destroyed with all this enforced house building. It's an absolute disgrace & only provides home for the rich who want to move down South & lines the pockets of those who grant the applications.

Kind regards
