Comments:	<p>Environmental impact is huge. Area is home to many species of bats, birds, insects, water dwellers and rodents, many are endangered. Particularly concerning that much of the wildlife from Kilnwood Vale has already lost their habitat there.</p> <p>Area regularly floods heavily.</p> <p>Adjacent highways already in poor condition and excessively heavy with traffic at times - improvements to road infrastructure in the Ifields area of historical importance is impossible due to the current buildings/homes and limited space.</p> <p>Already very limited access to dentists, doctors for local residents</p> <p>A disgrace to consider building here.</p>

Kind regards
