Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Trees and Landscaping
Comments:	It was RESOLVED to object to this application as the barn is the maximum permitted size which will spoil the landscape and would interrupt the views of the rural setting, the barn will be seen from the road and is considered an eyesore. The council suggest that the building can still reach criteria if it was placed elsewhere within the land available such as the opposite side of the woodland which would obscure it from view.

Kind regards
