Subject: DC/25/1959 | Erection of a single storey front extension.

Good afternoon Meg,

Planning reference: DC/25/1959 | Erection of a single storey front extension.

Thank you for consulting us on this application. The proposed development is not considered to be relevant to the District Licensing Scheme in this case and we consider that due the scale of this development, there would be no likely impact on great crested newts or their habitats. I therefore have no comments to make at this time. If the proposal changes, then please seek further advice from me as required.

Best wishes,

Laura Downs *(she/her)*
