dear madam/sirs (jacques burrows)

With regards to planning application dc/24/0426...plot of land in marches Road next door to longwells vineyard rh123sl...

I have already sent to 2 emails regarding this plot of land..but it has come to my notice that the owners of this plot of land wish to place caravans/mobile homes on this site....
and they state that the previous owner [redacted] lived on this site in a caravan.

I can state that at no time has a caravan been placed on this site/plot of land..

[redacted] since 1987..I can state that [redacted] at NO time ever lived on this site/plot of land..I can if needed state this in a court of law..

[redacted] in fact lived with myself and family for at least 4 years and I know exactly we're else he lived ..since before and after 1987....until he passed away approx 2 years ago..

And any other information disputeing this
email of mine would be total lies....

If you require anymore information on this matter please let me know
kind regards
