Comments:	This is a ludicrous place to build a dwelling. It will affect all the properties surrounding it plus there is limited parking at the moment already and cannot accommodate another household. It will affect the outlook of the neighbouring houses and block their view of a lovely green space. It will also inhibit local dog walkers due to the building work. This area was never meant to be built on and will be an absolute nightmare for everyone concerned. I strongly disagree with this planning application and it should be granted. If the contractors are thinking of access from Amberley

close this will churn up the grass and destroy the much used park.
Please do not grant planning permission for this dwelling it will
destroy the area.

Kind regards
