Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I have visited the site over many years, and lovely to see a new orchard this year and all the babie lambs, I have actually used one of the mobile Caravans as it is used as a welfare unit so running hot water etc for volunteers and staff to make cups of tee etc. Worth noting its also handy when the disabled kids need a 30 min rest, I'm pleased to see that they are also producing local hay, veg etc

Kind regards
